

Team Outing Policy

Version	Owner	Author	Publish Date	Approver
0.1	ApMoSys	HR	July 2023	Director

Introduction to the policy:

The Team Outing policy has been drafted in order to give a hustle-free experience for the managers/leads who are planning the outing with their respective team(s). This policy gives the guidelines on the budget, venue, and any other compliances that are needed/requested to be accommodated.

Purpose of the policy:

The sole purpose of this policy is to create a better bonding amongst the teams. This policy has been created in the interest of the emotional benefit and mental refreshment of every ApMoSysian eligible.

Implementation of the policy:

The policy that is drafted has to be implemented and followed for a better outing experience.

- a. It has to be understood that the date of outing, and the number of people participating along with the leader/manager has to be notified to the HR Team minimum a week prior along with the timings.
- b. The budget allocated per employee is Rs. 750/- and expenses for alcohol will not be reimbursed.
- c. Number of outings allocated per person is 1 per fiscal year.
- d. The planning for outing must be implemented only after discussing and taking permission from HoDs.
- e. It has to be understood that there must be safety precautions provided to every ApMoSysian who is present at the venue.
- f. Places like hiking, adventurous sports, water-prone areas, and locations where major accidents could be possible shall not be considered for outing and ApMoSys shall not bear any responsibility for any accident that happens to anyone or anything.
- g. The team outing slot cannot be carried forward to the next year.
- h. Bills must be sent to HR within 10 business days and must be approved by the HoD.
- i. It is expected to follow ethical code of conduct, even when the outing is outside the office premises.

Conclusion:

It has to be understood that this policy has been iterated in the interest of all the parties associated with ApMoSys Technologies and for the best culture of ApMoSys.
